We are please to offer for sale this fantastic detached villa. With an impressive 299m2 of living space the villa sits on a beautiful landscaped plot of some 729m2. The villa four bedroom villa is divided into two individual areas both with two bedrooms offering any owner the opportunity to have a separate rental apartment on the lower floor. Entering the property via the pedestrian gate you are greeted by a fully tiled garden with a large private pool and landscaping to include both orange and lemon trees amongst all the othe planting. A sweeping staicase takes you to the front door with wrap around terrace. You enter the property directly into the light, bright lounge/dining room. There is ample sitting space with a feature corner fire place. The attention to detail and finishes provided by the current owners are a feature that follows you round the villa. From the lounge is an independant fitted kitchen with access to a fully glazed terrace....
